## MOOSE WRECKS WIRELESS

SEATTLE, (U.P.)—Officers of the Washington-Alaska Military Cable and Telegraph system, found out finally what wrecked the wireless station at Ticonda, Alaska. ## Halt Bond Issues!

### The Only Bond Issues That Don't Cost Anything Are the Ones You Don't Vote!

California State government and individual citizens are struggling with unusual problems—  
The State treasury is facing a \$50,000,000 deficit—  
State employes are being paid by registered warrants which cannot be converted into cash until next August—  
Mortgages weigh heavily on home owners and many are fighting off foreclosures—

## Central Valley Water Bonds (ELECTION DECEMBER 19)

Experts declare the bonds would be a moral, if not legal, liability on the State. Also that the project is economically unsound and could not pay its way "out of earnings," but would create a huge annual deficit that ultimately would be saddled on the taxpayers. To favor such an ill-advised proposal is poor business.

Among the Bible citations in the Lesson-Sermon are the words of Paul to the Corinthians, "There hath no temptation taken you but such as is common to man; but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it." Also there are the words of Jude, "Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy, to the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever."  
One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states, "The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent Mind, who gives man faith and understanding whereby to defend himself, not only from temptation, but from bodily suffering."

When the coffin was placed in the hearse, a dozen young bucks and squaws climbed in and sat on it all the way to the cemetery. After interment they rode back to town in the empty carriage.
